Congrats! You're one step closer to a more organised space!

Storage Label Instructions

These labels are designed to help children recognise where their belongings belong and make pack-away time easier, calmer, and more predictable. Visual organisation systems can support independence, routines, confidence, and everyday organisation skills — especially for younger children and neurodivergent learners.

How to use your labels

1. **Print the labels**
   Print at home or at a local print shop.
2. **Cut out the Labels**
   Carefully cut around each label. You can cut them into:
   - Squares
   - Circles
3. **Laminate (optional)**
   Laminating your labels can help them last longer and withstand everyday wear and tear.
4. **Attach to storage Areas**
   Place labels onto:
   - Toy tubs
   - Drawers
   - Shelves
   - Baskets
   - Wardrobes
   - Containers
5. **Choose your preferred Fixing Method**
   You may wish to use:
   - Blu Tack
   - Double-sided tape
   - Velcro dots
   - Adhesive stickers
   - Contact paper
   - Magnetic strips (for metal surfaces)

Tips for Success

- Keep labels at your child's eye level where possible.
- Use the labels consistently so children learn where items belong.
- Start with just a few categories if your child becomes overwhelmed easily.
- Celebrate effort over perfection during pack-away time.
- Re-read *'A Tidy Pigsty'* after the installation of the labels to help reinforce routines and make pack-away time feel familiar and fun.
